Profile

Known as a flexible, technically oriented worker, Jop can cooperate well with others. He has a positive view, is cheerful and socially skilled. He is a team player that fits in best as a cooperating foreman in an architectural role. He is eager to learn and very interested in matters that are part of his field. He is skilled in Dutch, English and German to a lesser extent.

Due to his broad experience in the field, he can adapt quickly to changes and new environments.
